ADVANCED CANDIDA CONSULTATION, COLONIC TREATMENTS FOOD INTOLERANCE TEST & ELIMINATION DIET

Do you think you have symptoms of candida? Have you been craving sugar and foods that turn into sugar in your body? Would you like to discuss your symptoms and come up with a plan? Would you also like to also include colonic hydrotherapy to alleviate your symptoms? Would you like to investigate whether some food you are eating triggers your symptoms? Then this bundle is for you.

- ❖ Consultation with Andrea Okos, Colonic Hydrotherapist, member of Association of Registered Colon Hydrotherapist (ARCH) and The Global Professional Association For Colon Therapy (GPACT)
- ❖ Three colonic hydrotherapy treatments a week apart (you can only reschedule one appointment by one week only)
- ❖ First treatment includes bicarbonate of soda, further treatments herb enema
- ❖ This bundle includes stool analysis testing to reveal whether you have candida in your colon and yeast infection in your mouth, as well it tests for leaky gut that might also cause some of the symptoms of candida.
- ❖ You will be also provided with some supplements: Multivitamins and minerals to boost your immune system, probiotic supplements to rebalance your bacteria population, antifungal supplements to reduce candida overgrowth, a mouth spray to reduce yeast infection and Omega-3 supplements to help manage cravings and to fight inflammation.
- ❖ As Candida symptoms might look like symptoms of a food sensitivity, this bundle includes a food intolerance test to be able to easily identify your trigger food(s)
- ❖ A second consultation with Andrea is included to discuss the results of the food intolerance test; you will need to bring a 3-5-day food and mood journal as well to this consultation
- ❖ After the consultation an elimination diet will be suggested based on the results of the test, which will also include a food re-introduction plan.

Value of the bundle: £882.

Discounted bundle price: £779 (please note no further discounts from this price).
